Winners announced for the 2020 Georgie Awards®

BURNABY, BC (June 27, 2020) – The Canadian Home Builders' Association of British Columbia (CHBA BC) is pleased to announce the winners for the 2020 Georgie Awards®.

Open to all CHBA BC member companies in B.C., the awards celebrate excellence in home building and renovation in British Columbia.

To be eligible for a Georgie Award®, members submitted entries that were built, renovated, developed, created and/or marketed during the period of January 1, 2018 - September 30, 2019. The finalists and winners were selected by a panel of out-of-province industry professionals.

“Congratulations to all the 2020 Georgie Awards finalists and winners on your outstanding projects and entries this year. The winning entries show that BC continues to lead in housing design, innovation, and quality. When looking to purchase a new home, potential clients can look to the Georgie Awards for ideas and a selection of some of the best builders in BC,” says Neil Moody, CEO of the Canadian Home Builders' Association of British Columbia.

The 28th Annual Georgie Awards® Gala was held on June 26, 2020 for the first-time ever via a virtual format hosted by Todd Talbot, co-host of *Love It or List It Vancouver*.

About the Georgie Awards®

The Georgie Awards®, Canada's premier housing awards program, are owned by the Canadian Home Builders' Association of British Columbia (CHBA BC). For the past 28 years, the Georgie Awards® have showcased the high quality and calibre of British Columbia's home building and renovation community. The Awards are provincial in scope and highlight the commitment and dedication to the building excellence and high standards that CHBA BC member

companies strive to uphold.

About the Canadian Home Builders' Association of BC

The Canadian Home Builders' Association of BC is the leading advocate of the residential construction industry in British Columbia representing more than 2,100 members through an affiliated network of nine local home building associations located throughout the province. The industry contributes over \$25 billion in investment value to British Columbia's economy creating over 200,000 jobs in new home construction, renovation, and repair - one of the largest employers in British Columbia.
